

To Candidates for Admission:

We are very pleased that you have decided to apply to Northbrook. A checklist of required steps in this process is provided here for your convenience. Feel free to call us if you have any additional questions (508.824.5306).

Once these materials have been received, we review the application and contact you to schedule a Northbrook Visit Day, and an interview.

- ♣ You and your family should return the completed Application and Family Information Forms as soon as possible.
- ♣ You should visit www.SSAT.org and schedule to take the lower level SSAT exam. *The SSATs are a new addition to our application process in 2009. We are not yet listed as a score receiving school in the SSAT site. Please copy and mail your scores to Northbrook Admissions.*
- ♣ *Northbrook seeks good students who have strength in character and discipline.* Please have your Principal, Vice Principal or Dean, return the School Report Form to our office as soon as possible.
- ♣ Give the English, Math and Foreign Language Recommendations Forms, along with stamped envelopes addressed to Northbrook Academy, to your current teachers. *If you are not currently studying a foreign language, you may substitute science or history, using the same form.* Ask them to complete the form as soon as possible.

We do have limited enrollment. We will let you know when your file is complete and, and when appropriate, a letter indicating what material is missing from your file. If you need another application, you can request one from our Web site at: www.NorthbrookAcademy.org.

Thank you for your interest in Northbrook Academy.
